What We Are Learning:

Reading: These past few weeks we have focused on identifying the problem and solution in the story. Also the different ways that an author can end their story.

Math: We practiced how to make a ten within 2 digit and 3 digit addition equations. Math strategies include, make ten, take ten, and number path.

Writing: With our small moment writing we have been sharing our writing with others and adding descriptive words to make our stories more interesting. This is the last week of small moment writing.

Science: Learning all about force and motion!

Message From Ms. Engelhardt

We need lots of volunteers for our toy maker event on **March 2nd**. If you would like to volunteer please send in the green form that came with the payment information!

Don't Forget!

Payment for the toy maker is due **Friday February 14th**. If you need any of the forms again please email me!
