

Weekly News Ms. Engelhardt

Our Classroom Learning!

Math: We began our new unit and started by adding three digit equations. We used two of the numbers to make a ten and then add the third number.

Reading: We started learning our to be the boss of our reading and what to do when you get stuck.

Our Classroom Learning!

Writing: We began our narrative writing unit. In this unit we focus on a small idea. We began learning different examples and reading stories that include small moments.

Science: All about the sun.

Phonics: Looking at word endings and how they can sound different.

Weather Reminder

As the weather is getting very cold and possible snow in the forecast, please make sure your child dresses warm. The district will send out a call and display it on the news if there are changes in our schedule due to snow.
